GREAT LOWER LEVEL LIVING PLAN, WELL SUITED TO EMPTY NESTORS! The Stonehenge is one of our New England styled homes with its beautiful stone and stucco facade, that we are featuring in this neighborhood specifically. Special features to note include: Gallery with room to displays "life's awards", 2 story family room, open kitchen and family area. This could be a really nice home for someone in retirement or working from home. The lower level guest suite/office is

perfect for meeting some one for business at your home. The garage has a corner well suited for the home handy man. This home can be yours - call us for more details!

*It takes hands to build a house
but only hearts can build a home*
